

# Yes! I want to subscribe to the CSA!

We appreciate getting payments for the season at the beginning of the year, because the bulk of our costs (seeds, irrigation and ground preparation) happen then. Therefore, members paying for the entire season receive one week free. We also offer two additional payment schedules that split the season into either two or six payment periods.

Regardless of the payment schedule you choose, we do ask for a full season (30 week) commitment. To ensure your spot, please contact us by Feb 15<sup>th</sup>. Please fill out, and mail this form with your check before March 1<sup>st</sup>. Checks can be made out to Chaponica Trimmell or Kaleen Perlich. The first pick-ups will be on Weds. April 5th. Depending on the maturity of our crops, this date is subject to change (either a week earlier or later). If this is necessary, you will be notified.
